

## **Applying To Be A Lawyer At Argent Place Law**

We are very serious about being known as “The Law Firm For Entrepreneurs.” So we have strict standards. We know you are smart, that’s a given. We want to work with smart people who are also as committed as we are to the people who are the real heroes in society: The ones who take the risks to build companies to deliver great products and services to society.

So, to get started on the process that will bring us together in that common goal, we have a simple ask...

We need three paragraphs that describe your experience outside being a lawyer and how that experience has prepared you to help entrepreneurs save the world. Plus, a fourth paragraph on whatever else you want to say.

Oh, and a resume would be a good thing to include too.

And if you know any good lawyer jokes, we'd like to read one of them. (This is not technically "required," but we really like good lawyer jokes.)

Package it all in a single pdf and send that pdf via email to [info@ArgentPlaceLaw.com](mailto:info@ArgentPlaceLaw.com) with the subject line "I Want To Be Part Of That!" The content of the cover email is not important and probably won't even be read.

That's it. We look forward to hearing from you, and to working with you to make the best damn Law Firm For Entrepreneurs in the Milky Way.
